elInstruction Radio Frequency Pads Gen2 Available at The Law Bookstore – elInstruction does not sell directly to students –	<p>elInstruction Radio Frequency Gen2 (RF) pads can be purchased for about \$20. Students can purchase the \$15+ enrollment codes from the website at www.elinstruction.com. Each student in a class using the device needs a “clicker” (pad), which s/he purchases like a textbook through The Law Bookstore. However, if a student has two “clicker classes,” s/he alone needs one clicker. The situation is analogous to taking two classes which each require an identical text.</p> <p>Watch for CPS enrollment instructions from each professor at www.wsulaw.edu / info available later.</p>
