Course Syllabus

This class meets once per week during the semester. All assignments, consisting of both the outline and written product, must be completed and turned in for the week that they are assigned. You will take 5 in-class 3-hour performance tests throughout the semester. Please be prepared with your exam number, and ExamSoft, if used, in advance of the first exam. There is no final exam.

Because this class meant to help students refine skills, I reserve the right to modify assignments, deadlines, and guidelines, throughout the semester.

Class	Topics	Assignments Due
