

Western State College of Law Fall 2014 Booklist

Law texts can be purchased online (e.g. Amazon.com) and from these brick-and-mortar stores:

The Law Bookstore

1775 W. La Palma Ave., Anaheim, CA

714-491-2665 / www.thelawbookstore.com

OR

Legal Books Distributing / College Stores Enterprises, Inc.

4247 Whiteside St., Los Angeles, CA

800-200-7110 / www.legalbookdistributing.com

Both bookstores try very hard to offer cheaper, used books. WSCL receives no portion of textbook sales, so please give local bookstores a try.

Some tips on buying textbooks:

- Please use the ISBN listed for confirmation of the textbook. However, never order a book based on the ISBN alone – make sure at least the title and edition/year match.
- Until you are absolutely sure you have the correct book, don't mark it up, as you might not be able to return otherwise.
- FYI ... new editions of textbook often publish in late June & early August, so some books might not be available until just before classes start.
- FYI ... Books may come in varying formats – not only hardbound, but ebooks and loose-leaf versions. Often these are cheaper. Unless specified in the list, these alternative formats are acceptable to purchase. Carolina Academic Press and LexisNexis are the two major publishers who most often offer alternative versions.
- ORDER EARLY! If books come directly from publisher, the book could take up to 3 weeks to arrive.
- The Library does have copies of all the required textbooks, however only 1 copy of the book is bought per class. Library textbooks are on a first-come, first-served basis, so try to buy your own personal copy of a textbook when possible.
- If you have any questions or find any errors, please contact Sarah Eggleston at seggleston@wsulaw.edu or 714-459-1110 ASAP.
